Summary of Legislation

This bill limits monthly subsidy payment reimbursements for the Adoption Assistance Program and the Relative Guardianship Assistance Program for contracts that take effect July 1, 2026, or later.

For the Adoption Assistance Program, monthly subsidy payments must not exceed:

- 50 percent of foster care rates for youth under 9 years old;
- 55 percent of foster care rates for youth 9 years old or older but under 14 years old; and
- 60 percent of foster care rates for youth 14 years old or older.

For the Relative Guardianship Assistance Program, monthly subsidy payments must not exceed:

- 60 percent of foster care rates for youth under 9 years old;
- 65 percent of foster care rates for youth 9 years old or older but under 14 years old; and
- 70 percent of foster care rates for youth 14 years old or older.

The bill also removes case services—such as child care, tutoring, and therapies that are not Medicaid eligible—as eligible program expenditures.

Background

The [Adoption Assistance Program](#) and the [Relative Guardianship Assistance Program](#) provide financial assistance and services to families that meet federal eligibility criteria. Monthly subsidy payments and services are determined by county departments of human services through a standardized assessment. According to Joint Budget Committee staff, projected expenditures for FY 2026-27 are \$96.3 million total funds, including \$49.1 million General Fund, which reflects a General Fund spending increase of 112.3 percent since FY 2022-23.

State Expenditures

The bill decreases state expenditures in the Department of Human Services (CDHS) by \$2.1 million in FY 2026-27, \$4.2 million in FY 2027-28, and \$6.3 million in FY 2028-29 and ongoing. Actual reductions may vary as the department is authorized to over-expend the appropriation as necessary to provide benefits to all families who qualify. Expenditures are reduced from the General Fund, cash funds consisting of county matching funds, and federal funds, as shown in Table 1A above. A detailed breakdown of how the costs impact adoption assistance, guardianship subsidies, and case services costs is not available as of writing.

Effective Date

The bill takes effect upon signature of the Governor, or upon becoming law without his signature. However, Section 2 only takes effect if the Long Bill becomes law, with this section taking effect on the effective date of this bill or of the FY 2026-27 Long Bill, whichever is later.

State Appropriations

For FY 2026-27, the bill includes a reduction in appropriations from the Department of Human Services of \$3,946,381. Joint Budget Committee Staff and Legislative Council Staff agree that the bill requires a reduction in appropriations of \$2.1 million, as follows:

- a reduction of \$1,261,740 from the General Fund,
- a reduction of \$221,767 from cash funds consisting of county matching funds, and
- a reduction of \$611,294 from federal funds.

In addition, the bill includes technical language making the reduction in appropriations conditional on sufficient appropriations being available in the applicable line item in the FY 2026-27 Long Bill.
