SENATE
Final Reading
February 3, 2023

1 WHEREAS, Children and adults go missing for a number of
2 reasons: They run away or wander and become lost; they disappear under
3 circumstances indicating that their disappearance may not have been
4 voluntary; or they go missing under suspicious circumstances, indicating
5 that they may be in physical danger or the victims of foul play; and

6 WHEREAS, In 2002, then-Colorado Governor Bill Owens signed
7 House Bill 02-1083, establishing the AMBER (America's Missing:
8 Broadcast Emergency Response) Alert program in Colorado. Named after
9 nine-year-old Amber Hagerman, who was abducted and killed in Texas
10 in 1996, the program ensures that local law enforcement agencies can use
11 Colorado's Emergency Alert System to broadcast information to alert
12 citizens of missing children; and

13 WHEREAS, Since 1996, AMBER Alerts have successfully
14 recovered 1,127 children; and

15 WHEREAS, According to the National Center for Missing and
16 Exploited Children, 337,195 missing child reports were made to law
17 enforcement in 2021. The organization currently lists 57 missing children
18 from Colorado, from every area of the state. While all disappeared from
19 their families when they were children, some have been missing for
20 decades; and

21 WHEREAS, Too many families grieve, hope, and continue to
22 search for missing family members of all ages; and

23 WHEREAS, The awareness, support, and efforts of citizens,
24 media, and law enforcement related to the search for missing persons
25 must continue; and

26 WHEREAS, The public plays a critical role in the success of the
27 AMBER and other alert programs. As the eyes and ears of law
28 enforcement, they can be on the lookout for missing persons; and

29 WHEREAS, The common misconception that a person must be
30 absent for at least 24 hours before being legally classified as missing is
31 dangerous; when there is evidence of violence or of an unusual absence,
32 it is critical that an investigation begin promptly; and

33 WHEREAS, New advances in technology must be utilized and
34 made available to locate the missing; and

1 WHEREAS, The state of Colorado is committed to the safety and
2 well-being of its citizens, both children and adults; and

3 WHEREAS, The designation of Missing Persons Day in Colorado
4 firmly embeds the importance of missing persons and their families and
5 friends in our state calendar and may help raise awareness in cities and
6 states that have not designated a Missing Persons Day; and

7 WHEREAS, The designation of Missing Persons Day in Colorado
8 offers a platform to plan events that will connect families with resources
9 to help identify and find their missing loved ones; and

10 WHEREAS, The designation of Missing Persons Day in Colorado
11 ensures that the families and friends of the missing know that they are not
12 alone in their tragedy, uncertainty, and lack of closure, which lead to
13 long-lasting suffering and impacts on the health, finances, and
14 relationships of those left behind; and

15 WHEREAS, Every missing person is someone's child, parent,
16 sibling, partner, or friend, and every missing person deserves to be
17 searched for and found; now, therefore,

18 *Be It Resolved by the Senate of the Seventy-fourth General*
19 *Assembly of the State of Colorado, the House of Representatives*
20 *concurring herein:*

25 (2) That we recognize the importance of raising awareness of the
